

Landlord Mitigation Reserve

(LMR)

What is the purpose of the Landlord Mitigation Reserve Program?

- “The goal of this program is to encourage landlords to lease available units within their property to individuals in recovery and with a felony on their record that relates to their SUD.”

Landlord Mitigation Reserve

- Started due to numerous stories from people in recovery unable to rent/lease an apartment or house
- The ‘Scarlet **F**(elony)’ generally follows an individual for life. In many cases, people with a felony conviction are rejected by potential landlords as soon as a background check is complete.

LANDLORD OVERVIEW

The Landlord Mitigation Reserve (LMR) program provides protection to landlords willing to reduce screening criteria to house program participants. Landlords in the program are eligible to be reimbursed for eligible expenses if the tenant violates their lease and/or causes damages.

The goal of this program is to increase access to stable long-term housing for individuals in recovery from an opioid addiction who have a criminal record associated with their addiction.

ELIGIBLE LANDLORDS & LEASE REQUIREMENTS

All landlords are eligible for the program as long as they meet the following two requirements:

1. The property to be rented must be located within the State of Indiana; and
2. Landlord must not be suspended or debarred by IHCDA.

Landlords do **NOT** need to participate in other IHCDA programs to participate in LMR.

The LMR lease addendum **MUST** be signed by both parties and includes:

- Description of eligible reimbursements and reimbursement process
- Prohibition on leasing to relatives under the program without prior IHCDA permission
- Establishes a cap of \$2,500 on total reimbursement
- Voids items in the lease that violate Indiana State Code.

REIMBURSEMENTS

- Eligible reimbursements
 - If the individual abandons the unit and owes unpaid rent the fund will reimburse the landlord for up to 2 months rent (not to exceed applicable HUD published Fair Market Rent)
 - Fees associated with a tenant breaking a lease early, not to exceed amount equal to two months rents.
 - Damages beyond normal wear and tear after the tenant has moved out, not to exceed lesser of documented cost of repairs or \$2,500
