MAKE A DIFFERENCE**

WHAT IS VIRTUAL REALITY?

- **Cutting Edge Technology**
- **Immersive 3-D experience**
- **Exploratory and Interactive**

ABOUT US

Our research study at IU School of Medicine is investigating personality and behavior of people in recovery from substance use. If qualified, you may experience virtual reality.

You must be 18 or older to participate!

WHERE AT?

Neuroscience Center

362 W 15th St
Indianapolis, Indiana
